

In 2016, through prayer and by the power of the Holy Spirit, the people of Foothills Fellowship will...

- 1. Understand** like never before that God expects all of His followers to be His ambassadors, **be more concerned and sorrowful** for the lost, **pray more** than ever before for the lost and **share their faith** with more people than ever before.
- 2. Understand** like never before the role their heart plays in their relationship with God, **develop a deeper desire** for intimacy with Him, and **trust Him** like never before.
- 3. Understand** like never before the essential nature of Christian community, **be more committed** to one another than ever before, and **devote themselves** to a small group.
- 4. Understand** like never before God's call to minister to the poor, needy, and marginalized - especially in the International District, **develop a deeper concern and burden** for them, and **participate in ministry** among them.
- 5. Understand** like never before God's call to reach the unreached people of the world with the Gospel, **develop a deeper understanding of and burden for** them, and **use their gifts to support** our ministries to them.
- 6. Understand** like never before what it means to be citizens of God's Kingdom, **deeply value** kingdom principles, and **live out** these principles in new and obvious ways.

7. **Understand** like never before how absolutely imperative it is to be students of the Bible, **be completely confident** that the Bible is God's Word, and **commit to regular personal and corporate study** of it.

8. **Understand** like never before what God expects a Christian family to be, **grow even deeper** in their love and commitment to one another in their family, and **show the world** what a godly marriage and family looks like.

9. **Understand** like never before that men and women of the kingdom are called to be people of influence in the world and leaders in the church, **become confident** in their spiritual giftedness and **convinced** of their calling, and **say yes** to opportunities for leadership training and service.

10. **Understand** like never before that healthy things grow—including churches—and that Foothills Fellowship should strive to grow, **desire more and more** to see friends and family be a part of the church, and **invite them** to join the community and **welcome** any and all new people with open arms—regardless of who they are or where they are coming from spiritually, emotionally, economically, or otherwise.

These 10 vision statements will help shape our ministry strategy for 2016 with the goal of accomplishing our mission of being a worshipping community of God's people whose lives are shaped by the life, death, burial and resurrection of Jesus and who participate in the mission of God's kingdom by proclaiming the good news locally, nationally and globally.
